

ETL Mini Project: Day 3

Data Boot Camp
Lesson 13.3

The background is a dark charcoal gray with a series of parallel diagonal lines running from the top-left to the bottom-right. Overlaid on this are several teal-colored geometric shapes: a large central triangle pointing right, a smaller triangle to its left, and a square to its right. Scattered around these shapes are various white line-art symbols, including a plus sign, a minus sign, a circle with a dot, a circle with a horizontal line, a circle with a vertical line, a circle with a diagonal line, a circle with a cross, a circle with a dot, a circle with a horizontal line, a circle with a vertical line, a circle with a diagonal line, a circle with a cross, a circle with a dot, a circle with a horizontal line, a circle with a vertical line, a circle with a diagonal line, and a circle with a cross.

WELCOME

Class Objectives

By the end of today's lesson, you'll be able to:

Finish the ETL mini project

Discuss the benefits and challenges of the ETL process.

Project Work

Suggested Time:

70 Minutes

A close-up photograph of a white computer keyboard. The central focus is a large, white, rectangular key with rounded corners. On this key, there is a dark blue icon of a coffee cup with three wavy lines above it representing steam. Below the icon, the word "Break" is printed in a dark blue, serif font. The key is slightly raised from the keyboard's base. Surrounding this key are other white keys: to the left is a key with double quotation marks, above is a key with a right square bracket, and to the right is a key with a left square bracket. The keyboard has a light-colored, textured surface.
